Ready to Learn

2008 April-June WORKSHOP SCHEDULE

- All workshops are FREE and open to the public -

Call 277-4087 to register

All workshops are considered adult-trainings. Children are not allowed as we do not provide activities for them. Please bring your own food and drink, as we are not always able to provide refreshments. Please call ahead to register, space is limited.

April 12, 2008

Lovelace Westside Hospital
10501 Golf Course Rd. NW
10:00am-12:00pm

A Place of Our Own- Using TV To Help Children Learn

If you care for young children, then A Place of Our Own and its Spanish language companion Los Niños en Su Casa, are daily television shows made especially for you. In this fun and interactive workshop session, participants explore how to help children develop healthy viewing habits, and get the most from their screen time.

April 19, 2008

Presbyterian Hospital
1001 Central Ave. SE
10:00am-12:00pm

Parenting Counts! –Communication

This workshop is open to parents, caregivers, educators of children ages birth to five. The session explores specific parenting practices that contribute to early childhood learning. Participants learn the core concepts of communication and explore how early interactions lay the foundation for learning language.

April 26, 2008

Title Wave Books
1408 Eubank NE
9:30-11:30am

View, Read, Do

This workshop gives caregivers the basic ideas of the Learning Triangle to help teach the children in their care. In depth participants will understand the concept of view-read-do for choosing and viewing television, choosing books, and activities to support how this approach can teach the children in their care.

May 17, 2008

Lovelace Westside Hospital
10501 Golf Course NW.
10:00am-12:00pm

Play, Imagine, and Learn

This workshop shows caregivers how to use the Sesame Street series, with related activities, and suggested books to support children's play and imagination to build on children's natural curiosity and love of learning.

May 24, 2008

Presbyterian Hospital
1001 Central Ave. SE
10:00am-12:00pm

A Place of Our Own-Conflict Resolution

This fun and interactive session highlights the new series A Place of Our Own, which is designed to help make your job as a caregiver easier and more rewarding. You'll learn how to help children develop life long strategies that they can use to resolve conflicts without being aggressive or violent. And you'll learn the difference between discipline and conflict.

June 7, 2008

Lovelace Westside Hospital
10501 Golf Course NW
10:00am-12:00pm

A Place of Our Own- Creating Print Rich Environments

This fun and interactive session highlights the new series series A Place of Our Own, which is designed to help make your job as a caregiver easier and more rewarding. You'll learn how to help children build their language and literacy skills by taking advantage of opportunities that already exist in your daily routine and by surrounding children with opportunities to read and write.

June 14, 2008

Presbyterian Hospital
1001 Central Ave. SE
10:00am-12:00pm

Colors, Numbers, Shapes, and Letters

Participants will explore techniques for teaching children and how exposure to colors, numbers, shapes and letters will encourage children's cognitive brain development, and how to make the most of TV viewing, reading books, and doing activities that will help their children learn. The PBS series Sesame Street, brain development, and curriculum implementation will be the focus.

**KNME Ready To Learn
